

2023 Missouri Disaster Preparedness Survey

How prepared are you for a disaster?

The 2023 Missouri Disaster Preparedness Survey is being conducted to determine how prepared people with disabilities are for a disaster.

The short survey asks about:

- your past experiences,
- how prepared you are now,
- and what could help you be more prepared for disasters in the future.

The survey is being conducted by the Missouri Developmental Disabilities Council (MODDC) during National Preparedness Month.

Your feedback will help MODDC identify gaps so we can work to improve the preparedness level of people with disabilities in our state.

This could include:

- educating policymakers,
- developing trainings,
- or sharing resources so you can be more prepared.

The deadline to complete the survey is September 30, 2023.

The survey is open to people with disabilities, family members, Direct Support Professionals, and more.

Questions with an asterisk (*) are required to include your survey.

If you would like the survey in an alternative format, please email missouriddcouncil@gmail.com or call 800-500-7878.

Once you have completed this survey, please provide your answers by

- email: missouriddcouncil@gmail.com
- telephone: 800-500-7878
- mail to:
